SMM	MOTOR MILE PARK	2306 Tyler Road	Christiansburg, VA 24073

RULES

Games consist of 6 full innings. No new inning will start after an hour and 45 minutes. Umpires should make each team aware of the time at the one hour and 30-minute mark and that there are only 15 minutes left to play (unless extra innings) in the game. Per Dixie Rules, games may go a maximum of one extra inning if tied after 6 innings.

If the umpire witnesses lightning, each area shall wait at least 30 minutes from the last lightning strike. Christiansburg, Radford, and Pulaski all have lightning detection systems and will not divert from their respective policies. No area shall permit players to return to the field less than 30 minutes from the last visible lightning strike.

There will be a drop dead time limit of 2 hours. Umpires will keep games moving and not let teams unnecessarily delay games. Managers will get one warning and then the penalty will be ejection of the manager.

Fifteen (15) run rule in effect after 3 innings and ten (10) run rule in effect after 4 innings (page 47).

Five (5) run rule max per inning, except for the last inning, which is unlimited.

Teams **may** use four outfielders during the regular season.

Teams **must** use a continuous batting order.

A team can play with eight (8) players. Or, they may "borrow" one player to make nine (9). Teams can borrow up to two players only. Anything less than seven (7) regular team players must be forfeited or rescheduled. If you borrow a player, they must bat at the end of the order, play in the outfield, and cannot pitch. Teams **cannot** borrow players if they have nine (9) players.

Free substitution on defense.

All players **must** play at least 2 innings in the field and bat one time. Players do not have to play consecutive innings.

PLEASE NOTE DIXIE PITCHING RULES in Dixie rulebook, pages 67-68. Six (6) innings per week (M-S) still applies as well as new pitch count rules. "No pitches" as called by the umpire count towards the overall pitch count. Warm-up pitches do not. It is the obligation of the HOME book to track the pitch count of each team. We highly encourage each manager to check with the **OFFICIAL** scorekeeper between innings to insure both teams have the same pitch count recorded. However, if there is a discrepancy of some sort, the **HOME** book will be the official book, just like it is for the regular scorebook. Coaches/scorekeepers may use any method to track pitch counts. For your convenience, Dixie has provided a pitch count worksheet here:

<https://s3.amazonaws.com/files.leagueathletics.com/Images/Club/22268/2017%20DYB%20PITCH%20COUNT%20LOG.pdf>

PLEASE NOTE DIXIE PITCHING RULES in regards to pitchers AND catchers:

All USA Baseball affiliated leagues (Dixie, LL, Babe Ruth, Cal Ripken, etc.) have implemented pitch count rules in order to protect pitchers and catcher's arms. Tommy John Surgery has now become the #1 youth sport injury surgery. Research has proven that arm damage is cumulative in nature and typically does not show up until later. Thus, it is imperative that we follow these new rules to protect our youth.

Pitchers warming up between innings shall be given no more than eight (8) warm-up pitches (page 65). However, any new pitcher summoned to the game will be given as many pitches an umpire deems necessary (page 65).

Contrary to the rulebook, no jewelry or breakaway necklaces will be permitted in any local games. Exception is any medical bracelet or necklace.

All players must wear a face mask on their helmet. This is a Virginia Dixie Rule.

Per Dixie Rules, "courtesy runners" are not permitted for pitchers and catchers.

All other rules shall follow Dixie Youth Baseball, or if not listed in the Dixie rulebook, follow USA Baseball.

Courtesy runners **may** be used for **catchers only** as a means to keep games moving. This is not to be confused as an "offensive substitution." Any other player inserted as a pinch runner is an "offensive substitution."
