

ELECTORAL BOARD MINUTES November 28, 2022

Meeting opened by Chairman Wohlford at 9:00 am.

Present at meeting: Members Guy Wohlford(Chairman), Ann Craig(Vice-Chair) and Joe Mannon(Secretary). Also present were Tracy Howard(General Registrar/Director of Elections) and Lindsey Holman(GR/DOE Elect).

Purpose of meeting: Risk Limiting Audit (Code Section 24.2-671.2), designated for the 9th Congressional District Election, by the State Board. The purpose of the Audit is to confirm the accuracy of the reported results from the November 8th election. The State Board used the "Ballot-polling audit" method to perform this audit. This is done by "hand counting" a random selection of ballots from the election, the number of ballots specified by the State Board. For Radford, the number specified was two random ballots.

The box of ballots from the West Precinct was obtained from the Clerk of Court, and the random samples selected were ballot #66 and #719. Mr. Mannon retrieved the 66th ballot, and Mrs. Craig retrieved ballot #719. After agreeing that the vote on each ballot was for Mr. Morgan Griffith, the numbers were entered into a spreadsheet, and forwarded to the State Board.

The audit was completed at 9:10 am, and the ballots were returned to the container. The box was resealed by Mr. Howard, and signed by each Electoral Board member, then returned to the Clerk's office.

Meeting adjourned at 9: 20 am, upon motion by Mr. Mannon and seconded by Mrs. Craig.

Secretary, Radford City Electoral Board
